PROFILE

I am a passionate and detail-oriented web developer with expertise in Next.js, React, and Tailwind CSS. Skilled in creating responsive, user-friendly interfaces and deploying modern web applications. A fast learner with strong problem-solving abilities, I thrive in collaborative environments and constantly seek opportunities to grow and innovate.

PROJECTS & WORKS

Online Clothes Store

E-Commerce Store

- Developed a responsive e-commerce platform using HTML5, Tailwind CSS, JavaScript, and Next.js with a clean, modern, and user-friendly interface.
- Implemented adaptive layouts, intuitive navigation, and product listings with detailed descriptions and imagery for seamless browsing across devices
- Demonstrated strong front-end skills with modern CSS frameworks and responsive design principles for efficient styling.

Online Portfolio

Personal Website & CV

- Designed and developed a personal portfolio website using Next.js and Tailwind CSS to showcase projects, skills, and achievements with a clean, modern UI.
- Implemented responsive layouts, smooth animations, and intuitive navigation for seamless user experience across all devices.

Global Technology

Digital Growth Service

- Developed a dynamic, responsive web platform for businesses with customizable templates and seamless user experience across devices.
- Integrated modern UI components and deployed the platform using Next.js and Tailwind CSS for optimal performance and scalability.
